Budget and Fiscal Management Committee**

Notice of Special Meetings

Review of the 2006 Executive Proposed Budget

Each year the King County Executive prepares a proposed budget for the following year. The County Charter requires that the Executive transmit that budget to the Council in early October. The Council then analyzes the Executive's proposal, holds public hearings, makes changes to the proposal, and votes on its adoption. By tradition, the Council adopts the budget in the week before Thanksgiving.

On October 17th, County Executive Ron Sims will present his 2006 Proposed Budget to the County Council. The proposed budget will be available at <http://www.metrokc.gov/Budget/2006/Proposed>. The Council will spend the remainder of October and most of November reviewing the Executive's proposal. This year, Budget and Fiscal Management Committee (BFM) Chair Larry Gossett and Vice-Chairs Dow Constantine and Jane Hague have organized the reviewing of the budget into one committee, the BFM Reconciliation Committee. The BFM Reconciliation Committee will be divided into two sessions. The morning sessions will be committed to reviewing *General Government, Law/Justice, and Operating Capital Investments* and will be lead by BFM Vice Chair Dow Constantine. Afternoon sessions will be committed to *Enterprise Operations and Capital Investments* and will be lead by BFM Vice Chair Jane Hague. These sessions will analyze the sections of the budget assigned to them and provide recommendations for changes to the full BFM Committee.

As the sessions work begins, the Budget and Fiscal Management Committee will sponsor four public workshops in Kent, Bellevue, Shoreline and Seattle to receive public comment on the proposed budget. An overview of the 2006 Executive Proposed Budget will be provided at each meeting. You may address any budget issue at any of the four workshops.
